

Every year SARA sends multiple U14 and U12 boys and Girls to Gunstock Mountain in New Hampshire for the **Francis Piche invitational races**. There is a training day on Friday March 15th, a GS race on Saturday March 16th, and a Slalom race on Sunday March 17th. There are also optional training days on Wednesday and Thursday before the races if you want more (typically we do not have many from SARA going to the optional training days).

All of the eastern USSA state organizations send teams to this event. It is a great way to meet and compete against other young athletes.

If you are interested in going to this race event and you are a girl or boys U12 or U14 SARA member, please give our U12 chair Chris Shepard a reply via email cshepard@wintergreenresort.com

We have many spots for our racers in this race. We have never filled our quota of spots so if you would like to go you will be accepted.

You can see more information at this website <https://www.gunstockskiclub.com/francispiche>

All event details are available at this link [Piche Race](#) including registration information which is done through admin ski racing.

If you have questions please send them to Chris Shepard or call him at 434-989-2541
