Covid Mitigation Strategies: Due to the limited space outside the finish on Diamond Jim, we have separated the U10-14 and U16-21/M events. Team zones will be identified here for athletes and spectators. Zones will also be set up at the top of the course for athletes and coaches. Saturday, once the U16-21/M event is complete, we ask that athletes and their families please leave the area to make room for the incoming U10-14 athletes and families. We realize that some families do have athletes in both events. Those that do not, please clear from the area. We thank you for making every effort to follow the protocols of social distancing, face covering, and hygiene.

Lodging: To be announced

We look forward to seeing you all! Have fun, ski fast, and good luck!
